LOCAL 602
Bill Reed,
President

It has been a special honor and privi-
lege to have served the membership of
UAW Local 602 for over three
terms as President. I have qualified
for the Special Attrition Package
offered in the current collective bar-
gaining agreement and will be retir-
ing April 1st, 2020.

While I’m excited about this new
chapter in my life, there’s also a big
part of me that’s sad to be saying
goodbye. I can’t tell you how much
I’ve enjoyed serving in this capacity,
and how much I value the support
you’ve shown me over the past few
years. The various roles and respon-
sibilities I’ve taken on within the
UAW over the course of my career
has helped me grow both personally
and professionally, giving me a
unique opportunity to build relation-
ships with a diverse group of indi-
viduals and colleagues I would not
otherwise have had.

I have always said that I’m no better
or smarter than anyone in this mem-
bership, I simply raised my hand
to serve, proudly guarded my in-
tegrity and honesty, admitted and
learned from mistakes, and at every
step pledged to give 110% in
order to serve this membership to
the best of my ability.

I worked my way up to the office
of President with a goal of meeting
and exceeding challenges. As I
reflect on past accomplishments, I
must point out that it most always
took a team of individuals working
with me who were dedicated to
furthering the union cause in order
to see those ideas, dreams and as-
pirations to fruition. Though each
term as President brought its own
set of challenges, experiences,
change, and new opportunities,
I’ve been privileged to have al-
ways chaired an executive board
that has been willing to work hard
with compassion and heartfelt con-
cern for the members they repre-
sent. From the beginning I have
made it a priority to build leader-
ship in others, offer guidance,
counseling, consoling and unwa-
vering support. In return, the
countless experiences, friendships
and personal growth have been
more than I could ever have asked
for.

In closing, I am grateful for the
opportunity to have lead this local,
and am especially thankful to have
been blessed with your trust and
support in doing so. You will al-
ways be my family, will always be
in my heart, and in my thoughts.

Solidarity Forever

LOCAL 4911
Muhammad
Qawwee,
President

Greetings and happy spring to all
our brother and sisters out there.
Hopefully everyone is tired of the
white stuff and ready to do spring
cleaning at home and at work.
Work wise, try to be a part of the
whole team and the outside mem-
ber looking in. We have so many
changes within our workplace, the
only way to succeed is to embrace
it and help others to embrace it
also. Too many people want to
fuss, buck the system, and com-
plain about what doesn’t work in-
stead of trying it and working
through the hiccups. We are so
much more of a positive voice in
and out of work when we join to-
gether, work together, and togeth-
er as a group work through any
situation that might arise from that
change. The only thing constant
in life is change. Don’t tear each
other down for what one doesn’t
do or can’t do as well as you. Re-
member you at some point in time
were new at a job, position, lead-
er, etc. also! Let’s go into the
spring with a zest for being a posi-
tive person at work, home, church,
or wherever you meet and greet
people. Keep Solidarity in every-
thing you do,

Michigan Representative Debbie Dingell speaks at the Women’s Breakfas at the
UAW CAP conference in Washington DC
Greetings Brothers and Sisters.

As you read this Spring will be on our door step. I recently had the honor of representing our Local in Washington as part of our Capital Area CAP Council. We had the opportunity to visit our elected officials and lobby them on important legislation that affects the working class and our members. Some of the legislation that was discussed is the PRO act (H.R. 2474) (S. 1306), The Public Service Freedom to Negotiate Act (H.R. 3463/S. 970), and the Lower Drug Costs now Act (H.R. 3). All of these pieces of legislation affect working class people every day. The purpose of our visit was to show our elected officials that we hold them accountable and our Union expects them to do the right thing and to stand up for working class people. The PRO act passed the House on February 6, 2020 and now goes to the Senate. On the Local front our Kirchoff unit is beginning negotiations. Their current contract expires in June. The bargaining team has been working hard to address the concerns of the membership. Hopefully the team can negotiate a contract that addresses the needs of the membership and provides the type of contract that our members deserve. With a number of our Units facing new contract negotiations this year it remains a priority to negotiate fair and equitable contracts for all of our members. The Local Triennial elections are this year for all Local Executive Board positions. Please see the Nomination and Election Notice later in this issue. All Units will handle Unit respective Nominations for the their Unit positions separately. All elections for the Local and the Unit positions will be conducted on the same date (see notice). As always I would like to thank you for the opportunity to serve the membership of our Local as your President!

LOCAL 724
Todd Collins, President

"All Labor that uplifts Humanity has dignity and importance and should be undertaken with pains-taking excellence" Martin Luther King Jr.

LOCAL 1753
Yvonne Vincent, President

Congratulations to all the members retiring under the attrition program. I hope you thoroughly enjoy your new freedom and being your own boss. I would also like to welcome and congratulate the new members to our Local. As the circle of work life turns, we are regrettably losing history and knowledge from the retiring members. If you find yourself working in a department with someone new, please take time to welcome them and to give them pointers if it could help them out. All knowledge is precious and the more you can get/give/retain, the stronger our union becomes. We are all on the same side of “a fair day’s wage for a fair day’s pay”. This is the objective of the Labor Movement. So, please take time to get to know your coworkers, help them out, educate them on the contract, stand up for one another and build solidarity. And if you feel like you can strengthen our union in a leadership role - please join in the election process. Remember to look at your union information boards!

LOCAL 652
Ben Frantz, Vice President

I hope everyone was able to end the year and decade on positive notes. It feels as though this year is aging quickly, we are already into March and it’s getting warmer. Another warming trend this year is the election cycle. As the year progresses, the one thing that I know will be a common argument in 2020 is the Presidential election. This year, my plan has been an aggressive approach unlike any taken before. My aggression is focused, targeted and aimed at getting people educated and informed. This aggression isn’t the negatively detracting style to which we are all accustomed, quite the contrary. I am pointing out that the lies perpetuated on various news outlets are just those - lies and half-truths at best. I haven’t made any attempts to change anyone’s belief systems or votes through relentless arguing and name calling. Instead, I am trying to cast a light on the importance of not being an uninformed single issue voter. Politicians thrive on segregating our vote by isolating issues such as abortion, immigration, gun control, middle class workers versus the 1% and even race. Over a hundred years ago, issues like immigration, guns, labor rights and even race were all single-issue items that citizens voted singularly for or against and are all still alive and well today. We can never effect change continuing to vote this way. I will never tell anyone they are wrong for feeling or believing how or why they do. However, I will choose to guide them to the proper resources to get the facts for themselves to solidify their beliefs or unravel the misdirection and deceit. My efforts this cycle have been to broaden the spectrum of peoples understanding and provide them an opportunity to vote on a variety of important issues not a solitary item.

What this Presidential cycle has brought to my life is, the time for politeness is over, and it is time to get aggressive, in an assistive way. I want to assist those who wish to find the truth. I believe most people want to know the facts but may not know where to look, want to validate their beliefs, just may not know how. This is the plan I have been taking this year, one of helpful urgency. The want for people to understand and be informed by verifying their positions should be all of our goals for every election. Anyone can believe in a cause or candidate and go out and argue themselves into self-satisfaction, believing that they did their part and tried their hardest, but who gains from this type of aggression? Not the cause nor the candidate, that’s for sure. Nobody should believe they can argue another person off their beliefs, and if they believe they can, they just haven’t been paying attention. Yes, there are those who wish to stay obtinate and ignorant; for those, so be it, all you can do is assist anyone wishing to educate themselves. I chose this path of aggressive assistance moving forward in lieu of taking another failed attempt at negative redirection, which for me has never been fruitful. My goal with this new attack is to be a positive force in people’s lives as well as the Members whom I serve. I ask all of you to look inside and see if this type of aggression could work in your life. Could this be the key to getting more people you know engaged and out to vote? If so, get aggressive and let’s get the votes to get America back on track.

LOCAL 602
Steve Delaney, Vice President

February is notable for many things. Two of the more prominent to me are “Black History Month” and every four years it adds an extra day to the calendar. Being a leap year, I should have known that Local 602 would do something special for it’s “2020 Taste of Black History Program.” This year Locals 2256 and 4911 joined us and were treated with food, prizes, entertainment and distinguished guest speakers. Local 602 retiree Marilyn Coulter, who started our very first Black History Program in 1999, was the honorary “Mistress of Ceremonies.” The Keynote Speaker was Dr. Eugene Cain and closing remarks were made by Judge Wanda Stokes. The theme for the program was “Seated at the Table.” Dr. Cain educated the audience on the significance of the ballot and the 95-year struggle that took place before blacks were finally given the right to vote under the law. Many didn’t know that in 1870, the Fifteenth Amendment to the Constitution of the United States gave non-whites and freed black slaves the right to vote. That was quickly
reversed in the racially segregated South. It took the Civil Rights Movement of the 1950’s and 60’s to get the Voting Rights Act passed in 1965. Discrimination could no longer be used to keep any person of color from voting. Many thanks to Deasha Johnson and her entire committee, along with the Civil and Human Rights committees of Locals 2256 and 4911 for a tremendous program on the sixteenth of February.

On Friday, February 21st, there was a ceremony to commemorate the three millionth vehicle produced at the Lansing Delta Township Plant. It was attended by many local and state-wide dignitaries. The media recorded the plant employees cheering as the grey metallic, red line version 2020 Chevy Traverse rolled off the end of the line. It was a milestone we can all be proud of. Since LDT opened in 2006 there are only a handful of plants in North America that can say they have built 3,000,000 vehicles. It took Oldsmobile/BOC/Lansing Car Assembly, 105 years to build 20 million here. That’s Michigan so the weather certainly didn’t really surprise us, but the Presidential race is really heating up. Of course, President Trump is claiming that his administration is stopping ALL evils, not just the big ones. I wonder how history will paint him when all is said and done? I’ve a funny feeling that he will not be happy with it. If our nation ever returns to some manner of civil discourse Mr. Trump will be seen as the egotistical maniacal narcissistic sociopath that he really is! (Sorry! Just showing my true colors here.)

But enough about him. I’m a little worried about what’s happening to the Democratic party. After watching a bit of each circus that has been portrayed as a debate I’ve got a sinking feeling in my stomach. I’m having trouble seeing how we can pull a candidate out of this mess that will have a snowball’s chance of beating the incumbent President. Mr. Trump’s tactics of smearing, obfuscation, and flat out lying have a better than average chance of making mincemeat out of whomever survives the primaries, mainly because the debates themselves are giving him all the ammunition he needs to take out the last one standing. All we can hope is when all is said and done the Democrats can unite behind their primary winner and win this election. I for one do not want to spend another four years feeling embarrassed about our President. …and speaking of heat.

Hey! It’s that time again! The IRS wants you!!!! to pay your taxes. All of them, including the amount received from the International UAW Strike Fund. Strike assistance is taxable and, as such, any member who received more than $600 in strike pay should have received a 1099 MISC from the International and need to include this income on their 2019 1040 form. Please don’t miss this. The audit mechanisms of the IRS especially look for unclaimed income from 1099’s and trust me, no one wants to draw IRS attention! If you haven’t received one, lost it or the dog ate it, please contact your Local Financial Secretary and they will request a replacement from the International UAW.

**LOCAL 652**

Mike Bauer

Hello everyone - the groundhog promised us an early spring - we’ll see.

The following is our monthly schedule of events:

First Tuesday of the month is Bingo. Games start at 10:00 a.m. Participants bring your own snacks. If the Lansing School District is closed due to inclement weather our Bingo game will be cancelled.

Third Tuesday of the month is our potluck dinner and business meeting. Bring your own table service and a dish to pass. Dinner starts at noon.

Fourth Tuesday of the month is cards starting at 10:00 a.m. Participants bring your own snacks. If the Lansing School District is closed due to inclement weather our Card game will be cancelled.

Spring Euchre Tournaments are being held for retirees, spouses, and associate members. The Wyoming tournament is April 3rd, at UAW Local 167, located at 1320 Burton St SW. The Flint tournament is April 17th, at UAW Local 659, located at 4549 Van Slyke Rd. Saginaw tournament is also April 17th, at UAW Local 467, located at 2104 Farmer St. The Lansing tournament is April 24th, at UAW Local 602, located at 2510 W Michigan Ave. The Wyoming, Flint, and Lansing tournaments start at 10:00 a.m. The Saginaw tournament starts at 1:30. Arrive early to sign in and get seated so the games can start on time.

You do not need a partner to play. You are welcome to play at all the tournaments if you like. If you enjoy euchre come join in. There is no cost to play.

Region 1D Travel Committee is having a trip to the Ark in September. Contact Diane Baurer (517-627-5895) if you need information or would like a flyer sent out to you.

For all the Oldsmobile lovers out there - The R.E. Olds Chapter presents the 28th Oldsmobile Homecoming Car Show & Swap Meet. This event takes place Saturday, June 20, 2020, from 9:00 a.m. to 3:00 p.m. The show is located at Auto Owners, 6101 Anacapi Blvd, Lansing. Anacapi Blvd. is located 1/4 mile north of I-496 and Creyts Rd. While all Oldsmobiles will be represented, the show will be celebrating the 25th anniversary of the Aurora and featuring all 1970 model year Oldsmobiles.

It’s heating up…

Yes, things are heating up. Sorry, I mean politically, not the weather. It’s Michigan so the weather shouldn’t really surprise us, but the Presidential race is really heating up. Of course, President Trump is claiming that his administration is stopping ALL evils, not just the big ones. I wonder how history will paint him when all is said and done? I’ve a funny feeling that he will not be happy with it. If our nation ever returns to some manner of civil discourse Mr. Trump will be seen as the egotistical maniacal narcissistic sociopath that he really is! (Sorry! Just showing my true colors here.)
For any of our members or their families, who are ill or have lost a loved one, know that we are thinking of you and keeping you in our prayers.

Condolences to all families who have had a loved one pass.

Location Change
Hello Brothers and Sisters! Historically, our local union meeting in April is hosted at another location, UAW Local 724, 450 Clare Street, Lansing, MI 18917 due to our guest speakers on that day. This April, we will continue with that same tradition.

Our retirees will meet with our VEBA trustee at 12:00 p.m. (noon) on April 22nd while we provide lunch. The active caregivers will meet at 5:00 p.m. for our general membership meeting with the VEBA trustee as the guest speaker. Please make a note for the change of address for the April meetings.

Did You Know…

Article 20 in our Sparrow contract books addresses Bereavement in the event of a death of an immediate family member for our caregivers. But, you may not know that Sparrow cannot notify the union (due to HIPPA violations) when a caregiver is on bereavement. Our union Bylaws state that “one bible shall be given to UAW members whose immediate family members have deceased”. The definition of “immediate family members” is listed in the contract books under Article 20, in Section 20.8.

Therefore, as a member of Local 4911, if you are on Bereavement due to experiencing the death of an immediate family member defined in Article 20.8, please notify your steward, chairperson, an Executive Board member, or call the union office at 372-7201. If you are interested in receiving a Bible, we can verify if you have received a Bible in the past or if you are eligible to receive one.

LOCAL 1618
Ted Gauss
Retiree

Hi Everybody, Here's the latest news from Local 1618:

Looking back a few months: Nolan Douglas turned 88 yrs young on Nov. 23 Barb Klein turned 82 yrs young on Nov. 22 Connie Gauss turned 76 yrs young on Dec. 31 Dick & Sue Torgeson celebrated their 54th wedding anniversary on Sept. 18.

A BIG thanks to Jean Caudell who made and donated 60 sets of mittens & hats for needy children.

We lost 2 hard working members since the last newsletter: Ross Sherman & Lois Dyer.

READ CAREFULLY: The Ted Gauss Breakfast will be Tuesday, March 24, 2020, at Spud's Restaurant on Waverly Rd. at 9 am. Hope to see you there!

That's all for now.

LOCAL 1753
Laura Clark
Retiree

Greetings brothers and sisters,
I hope you and yours had a happy holiday! I am sure we and our sister Local 1618 feel good for helping many people this winter feel warmer and happier with all the socks, hats, scarves, and mittens collected from the giving tree. Thanks to all who worked on that. Two bags went out before Christmas because of the cold, four after. What a great showing for our effort, thank you so much. We also received many thanks for our end of year donations to all of our favorite charities. The Christmas party went very well. Good turn out, though not as big as when we first retired. We can do better next year because of all the new retirees who just left! We want to welcome you.

I also want to thank all the retirees who helped the members working the strike. Some dropped hot food and supplies to the hall. Many went to our two gates and fed the people while they walked. I appreciate all of you, your support, and your car horns!

January and February lunch and meeting went very well and easy for we went to Buffet World. They of course, take care of everything and we don't have to bring a dish to pass. They have a nice variety of food including sushi and a BD Mongolian Grill type area! Of course they still have some of my favorites like chicken and macaroni and cheese. The executive board wanted to make sure you could get in to the meeting with out worrying about snow plowing the hall or the sidewalks. The first two months are usually the worst but as you have probably noticed, global warming means extreme on both ends!

Speaking of seasons, the busy election cycle is upon us. I hope you have not been daunted by the last three years of coverage to get involved, or to watch the debates. Some were not that good, some were dynamic and entertaining!

Please think about receiving a mail in ballot. It will save you waiting in long lines this election. Also, it is one way to be sure your vote won't be hacked. It is the paper trail. Many states already use this method for every election. As we in Michigan should now consider, you have more voting because it is easy and if you don't trust the mail you can still drop it off.

Our next lunch and meeting is March 12th at the hall, back home! We are lucky enough this month to have Rob from Swedes cater a St. Patrick's themed dinner for us. If you remember, he and his group do such a nice and delicious meal we want them to do lunch often! I can't wait to see you and yours there.

Obits - Vic Larsen, Tom Setter, and Shirley Albright

Capital Area
United Way
Dean Poggiali

So far winter has been bearable, but we know that we sometimes have the calm before the storm, then the storm before the storm.

The annual community service classes have started with over fifty folks registered. About half of these are first time attendees. As we reflected over the years on the classes, we have seen them go from mostly folks from the manufacturing sector to a wide array of occupations and unions. This year we have a large contingent from Blue Cross/Blue Shield, along with the City of Lansing, Ingham County, and Accident Fund Units from UAW Local 2256. Also represented is two unions from MSU, the IBEW from the Lansing Board of Water & Light, the United Food & Commercial Workers who represent members at Meijer, Kroger & Rite-Aid. This mix makes for an interesting conversation and the sharing of ideas.

The Volunteer Income Tax Assistance program or VITA has been seeing an increase of requests. They had started and processed almost three times the number of returns as the same time last year. The program is mainly staffed by
IRS trained volunteers along with two Capital area United Way staffs. If you or someone in your inner circle would like to see about eligibility call 2-1-1 for more details and to schedule an appointment if eligible.

The Mystic Lake Union Camp Committee (UCC) will begin meeting for the 2020 camping season at the Mystic Lake YMCA camp located in Lake, MI. The UCC has sent out request letters to area local unions to solicit donations for assisting deserving kids to camp. The applications are available from UCC members and you can contact me at 517-203-5027 for more information.

By the time this is viewed many of us will perhaps receive our 2020 Census questionnaire. This allows us to make sure that we are allocated the federal dollars that are population deserves. The questionnaire is rather short and is pretty easy to fill out. Resources are available at https://2020census.gov/en or https://becountedmi2020.com/resources/
The Capital Area United Way has been conducting many forms of outreach by collaborating with the Clinton, Eaton & Ingham County areas. The State of Michigan is possibly looking at losing a United States Congressional district which will diminish our footprint in Washington DC.

Although it is a long way off, the month of May will bring the Letter Carriers Food Drive and the Homeless Veterans Stand Down. Having participating in both events since the onset here in town, our sincere wish is to no longer see the need for the outreach. When we no longer the words homeless and veteran in the same sentence and not family is without food, then we can take pride in what we have done.

It is up to us to be the voice and conscience of the community. We are reminded of a quote by Margaret Mead that goes “Never doubt that a small group of committed citizens can change the world; indeed, it is the only thing that ever has.”

It is up to this small group of committed citizens to continue to be a driving force for the future generations.
